You find a catalogue after catalog and website after website but nothing fits the bill. So you start calling to see if you can find someone to make what you imagine but have no luck - until you find Cheer Etc that! Cheer Etc has been in business since 1985 and has made their business to make your cheerleaks look good. Where else can you prepare perfect cheerleak uniform sketches and bring them alive? Place. With a top of quality fabric lines and personal customer service, you're definitely happy with Cheer Etc - and save a lot of money in the process! Cheer Etc only uses the best fabrics - Visas are treated double-knit polyester fabrics, stunning metal trim, dazzling lycra stretching metal and even mesmerising sequin dot fabrics to give your uniform that something special to make you memorable. Cheer Etc realizes that not every cheerleaguer is the size of a cookie cutter and as with any other sport, the athlete who participates in it comes in all different shapes and sizes. This is why Cheer Etc will also make a custom size for you if needed. Requiring some extra room in the chest or at the waist is never a problem. We have also a market corner in meeting the need for Christian school cheerleakers by offering culottes and longer long-coated cheerleatic skirts - made to the length they need to maintain the decency required by their faith. So whether you want the top from one catalogue and skirt from different and worry about matching colors, or if your uniform comes straight from the Cheer Etc call drawing board today. We are here to help you and offer excellent and personalized customer service and the fastest shipping time around. We can also build a package deal for you! Loading Product Details...
